

GHS Intensive Crisis Stabilization Services for Children and Young Adults

The **GHS Children's Intensive Crisis Stabilization Team (ICSS)** provides mobile crisis stabilization services at no cost, 7 days a week between 8:00am and 7:00pm to all children, youth, and young adults (ages 0-21) who reside in Genesee County. Calls during other hours are helped by our Crisis Line mental health professionals.

Reasons to call GHS:

- If you feel your child/youth is in a crisis
- The child/youth may hurt themselves or others
- The child is experiencing overwhelming confusion, anger, or emotional unresponsiveness

If you aren't sure if ICSS is needed, give us a call and we can help to explore options.

What happens when the GHS Intensive Crisis Team is called?

The team will provide an on-site intervention with the identified child or youth, and their support system. The team's main focus will be to help assess the crisis, utilize de-escalation techniques, help the child/youth and their family or support system to help with what is needed and to help determine next steps and long-term care.

Other services include:

- Crisis and Safety Planning
- Referrals to needed services
- Education on resources, diagnosis and services
- Collaboration and problem solving

* Psychiatric consults, as needed (does not include medication review for prescription)

** Intensive Crisis Stabilization services cannot be provided to individuals who are currently residing in inpatient settings: Jail/detention centers or residential settings (i.e. child caring institutions, crisis residential, etc.).
