

## GENESEEE HEALTH SYSTEM MOVES TO NEW LOCATION

### For Immediate Release

Wednesday, May 15, 2024

**Flint, MI**—Genesee Health System (GHS) is moving to 1040 West Bristol Road, Flint, and will open its doors on Monday, May 20. GHS's last day at its former location at 420 West Fifth Avenue will be Friday, May 17.

The initial move [announcement in June 2023](#) included the need to evaluate and evolve how GHS works with individuals and the entire community. The new main campus will house all staff and services currently at 420 West Fifth Avenue. Staff and services at the Center for Children's Integrated Services (CCIS) located 1402 South Saginaw Street, Flint, Behavioral Health Urgent Care (BHUC) at 422 West 4<sup>th</sup> Avenue, Flint, and the Genesee Community Health Center at 725 Mason Street, Flint will remain.

"We are still here for our community when they need us," said Jennifer McCarty, GHS Chief Operating Officer. "We just ask that you "pardon our dust" as we complete this move on Friday and Monday. We are so excited to be in our new building and offer more quality services and programming to our community."

Individuals who wish to begin services are encouraged to call GHS on Friday, May 17, and Monday, May 20, as walk-in availability will be limited due to the move. People can call 810-257-3705, Monday through Friday, to talk to a Customer Services Representative.

Those individuals already in services will hear from their care provider about the date and location of their next service.

Some areas of the building are still under construction, but an open house for the community is planned for early August 2024.

GHS is always here to help. The GHS Crisis Line is available 24/7, call 810-257-3740. The Behavioral Health Urgent Care and Mobile Crisis Team are available 24/7, call 810-496-5500. BHUC walk-in hours are Monday through Friday from 8 a.m. to 10:30 p.m., and Saturday and Sunday from 10 a.m. to 5 p.m. at 422 W. 4th Avenue in Flint.
