Chuck served on our Board for 22 years & was a faculty member in the University of Michigan-Flint Social Work Department for over 30 years. This Vietnam veteran & Purple Heart recipient served his county proudly but was also a strong advocate for the mentally and developmentally disabled individuals in our community. This golf outing provides opportunities for Genesee Health System to host activities for individuals with mental illness and/or developmental disabilities that governmental funds do not cover. Events such as the Annual GHS Consumer Dance, Picnic, Christmas gifts, Respite Camp, and other fun outings & activities for these populations are funded by this GOLF Outing.
